PRODUCT OVERVIEW

TurfMend® is a professional grade turf repair product that was formulated by a former Golf course Superintendent to help turf managers of all levels be more efficient with their time and money. Let TurfMend® help you repair the Bare! and fix anything from divots on a golf course to wear and tear on sports fields to dog spots on lawns and parks.

TURF DETAILS

TurfMend® has been working with Barenbrug USA 2018 and is proud to use only professional grade seed from Barenbrug, Tee-2-Green and Jacklin Seed. Custom blends available!

BENEFITS

TurfMend® helps turf managers save time and money. TurfMend® formulation helps damaged areas repair quickly. We use professional grade seed, weed free ingredients, including professional quality peat moss, granulated compost and USGA Spec Sand.
